

SENIORS AND MODELS

I offer two options. Basic and Premium.

Basic is \$250 for up to 90 minutes of shooting time and comes with a \$250 print credit. No limit on wardrobe changes or location changes. Whatever we can do in 90 minutes is fine.

Premium is \$350 and does not have a specific time limit and comes with a \$350 print credit. I have not had too many instances where the model outlasted my willingness to shoot but do reserve the right to say "enough" if things turn into a marathon.

Proofs of all usable images from the shoot will be posted on a web gallery for you to review. If you do not have internet access or if you would rather have printed proofs to review they can be provided for \$0.25 per print.

You can pick as many different images as you want for your final selections but you must order at least \$20 worth of each item selected. Final selections and print orders must be made within 45 days of proofs posted to the website.

All final selections will receive corrections for cropping and color corrections including black and white or sepia conversions if you choose as well as editing to remove blemishes, stray hairs and other corrections required to create a nice final image. All prints will be produced by a professional photo lab. Extreme alterations may exceed my capabilities and will require additional expense to complete. These are very rare and will be addressed up front to avoid any surprises.

There are no refunds for unused credits. Premium package print orders that exceed your original payment will receive a 15% discount on the balance. Additional prints can be ordered at any time but any unused print credit from your original order will not be eligible for use. Original premium package reorders will receive the 15% discount.

FAMILIES AND BABIES

Cost is \$150 with a \$150 print credit. This assumes a single location for the shoot and up to one hour of shooting time. No limit on wardrobe changes or different family combinations. Whatever we can do in an hour is fine. Multiple locations or extended time requirements will default to the options available for seniors and models outlined above.

A wide range of additional items are available if you need them. Things such as leather bi-fold and tri-fold displays, photo albums, photo books, framing and matting, special textured prints, prints on canvas, graduation announcements, birth announcements, etc. are all possible. Because there are so many things possible, I am not going to try to list everything here.

If you need any of these sorts of items, let me know and pricing will be determined on a case by case basis.

TAXES and TERMS

Half of your package total is due to schedule your shoot. This is not refundable except in extreme circumstances. The balance is due by the day of the shoot.

Because weather and conditions outside of your control can occur unexpectedly, I will be very flexible in rescheduling appointments without penalty but do reserve the right to add an additional \$100 for any shoot cancelled and rescheduled within 24 hours of the appointment.

Sales tax is included in the prices quoted.

Please contact me with any questions or to schedule an appointment.
